

TUITION INFORMATION 2010-2011

****Tuition is based on the entire academic year of August 2010-May 2011.. The Yearly rate is divided into monthly payments due on the first of every month. All payments are equal regardless of the number of lessons any given month may have.****

****You have a choice of two payments method plans. One being a one lump sum payments with 5% discount on yearly tuition (only when registering in August 2010) or the monthly payment plan.****

If you choose the monthly payment plan, payments must be made by the 1st of every month no later than the 5th of every month to avoid a \$20.00 late fee that is automatically applied to your account. Please write the month of your check to which you are paying for and drop tuition in the white tuition box located in the studio lobby. Do not mail tuition to the studio address!!

The monthly payment plan is for your convenience only. If your child has an illness or injury and cannot attend class temporarily, tuition is still expected to continue to hold your dancers spot as the tuition rates are based on the fiscal school year.

Missed classes must be made up within 2 weeks of the absence or forfeit the class. No refunds or credits are given.

Checks: There will be a \$25.00 returned check fee.
